F. 92-96, dated the 23rd December 1903, from the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Departments, enquiring whether the Board are prepared to forego the revenue on kandayam lands in the Kankanapalya village in the event of its being re-transferred to the Bangalore Taluk as proposed by them.

Resolved that the Board is willing to forego the revenue on kandayam lands in the Kankanapalya village in the event of its being re-transferred to the Bangalore Taluk.

3. Read proposal to enforce some alteration in the construction of jatkas and all circular-roofed carts by providing them with apertures on either side about the level of the driver's head, through which the driver can see carriages crossing his own and avoid the present danger of collision.

It was proposed by Mr. Bronson and seconded by Mr. M. G. Krishnaswami Rao that the jatkas to be newly licensed must provide apertures on either side to allow drivers to see carriages crossing them, but the present licensed jatkas may be allowed to remain as they are unless the owners are prepared to adopt the new plan.

An amendment was proposed by Mr. Venkatachar and seconded by Mr. Aga Abdulla Saheb that two years' time may be given for the construction of new pattern jatkas providing with apertures on either side.

The amendment was put to the vote and was lost. Then the original proposition was put to the vote and was carried.

4. Read docket No. 1455—L. F. 210-93, dated the 17th October 1903, from the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Departments, enquiring if the Board are willing to refund to the Madras Railway Company whatever has been recovered from them hitherto as lighting-tax on their buildings in the City Station, as the tax has been levied without the previous sanction of the Government of India.

Resolution.—Deferred.

5. Read Sub-Committee's report regarding the revision of the Langarkhana.

Proposed by Mr. Ramachandra Mudaliar and seconded by Mr. Appajiah that lists of recipients of money-doles residing in each Division may be circulated among the members of that Division with a request to report if these men in their Divisions deserve the charitable help of the Municipality.

Resolution.—Carried.

6. Read Sub-Committee's report regarding the remission of taxes applied for by the merchants of the old Taragupete.

Resolved that a full remission for the year 1899-1900, and half remission for the years 1898-99 and 1901-02 of the mohatarfa tax be granted to the merchants of the old Taragupete.

7. Read two notices from Mr. K. Ramaswamy Iyengar, Advocate, stating that his client Chintalaiya, owner of demolished shop sites Nos. 6, 8 and 9 in the cross lane between Doddapete and Ragipete, would take legal steps unless the Municipality pay him the full compensation demanded by him for the entire extent of the sites, *viz.*, Rs. 2,558-5-5 including damages, or grant him licenses to build on the whole extent.

Proposed by Mr. Venkatachar and seconded by Mr. D. Venkataramaiya that the whole of the demolished shop sites Nos. 6, 8 and 9 may be acquired and the compensation settled by the Deputy Commissioner under the Land Acquisition Act.

Resolution.—Carried.

8. Read Sub-Committee's report regarding the levy of water cess on shops on which mohatarfa is levied.

Resolved that the Sub-Committee's report, recommending non-imposition of water cess on mohatarfa-paying shops, be accepted.

9. Read docket No. 2627—L. F. 84-03, dated the 19th January 1904, from the Secretary to Government, General and Revenue Departments, calling for the opinion of the Board regarding the necessity for a type-writing machine for the City Municipal Office.

Resolved that a type-writing machine be purchased for the use of the office, the cost to be met from the source pointed out.

Resolved that Rs. 1,000 be allotted this year and an amount not exceeding Rs. 2,000 provided hereafter in the budgets for the watering of the most frequented and important roads in the City.

11. Read Docket No. 306—116, dated the 19th January 1904, from the Executive Engineer, Bangalore Division, stating that the estimated cost of Rs. 223 for certain petty repairs of the Fort Palace is a fair charge on the Municipality as the building is used for the Municipal Schools.

Proposed by Mr. D. Venkataramaiya and seconded by Mr. D. B. Ramachandra Mudaliar that as the old Palace is one of the buildings that has to be preserved according to the order of the Government of India whether it is occupied or not, the repairs of the building will be a fair charge on the Provincial Funds as was hitherto the case, especially as the grant of Rs. 70,000 from the Government for the construction of the Municipal School has not as yet been sanctioned.

Resolution—Carried.

Audit Report for January 1904.

Voucher No. 88 relates to the payment of Rs. 1,937-1-7, as allowances to the acting Vice-President beginning from September 1900. This amount had not been budgetted for. In the correspondence between the Senior Surgeon and the Government, and the President and the Government, the latter asked, from what sources the increased expenditure was proposed to be met. The President, in reply, stated to Government that there were savings under some other items in the budget. The procedure of the President was opposed, in this instance, to the prevailing practice, and to the express order of Government as laid down in Proceedings No. 5127-5207—L. 635, dated 21st January 1892. In pursuance of this Proceedings, the appropriation from one head of the budget to the other head had first to be sanctioned by the Board, before submission to Government for approval. If this procedure is not strictly adhered to, budgetted items may be expended for other purposes without the knowledge and consent of the Board. This irregularity is pointed out for future guidance as in this instance money has already been paid after getting Government sanction without placing the preliminary Government Order for consideration before the Board. The other items call for no remarks.
